

QUALITY POLICY PMZ GROUP

PMZ GROUP (PMZ COMATRANS Y GMS) headquarters and facilities at C/ Josep Carner, 7-9 08205 Sabadell – Barcelona (Spain).

It is a company whose **scope** is:

PMZ COMATRANS, S.A: design, assembly, commercialization and after-sales of the Automation and transmission system

GMS FEEDING SYSTEMS, S.L: design, assembly, marketing and after-sales of part positioning systems.

From our facilities in Sabadell with a managerial, technical and productive staff and with more than 20 years of experience in the sector, we carry out our technical assistance services in equipment.

Our mission is to offer a **comprehensive project service** with our team of internal and external professionals, with the best quality standards in all areas of maintenance, installations, reforms and repairs, with the main objective of seeking **customer satisfaction and environmental improvement**.

Therefore, PMZ GROUP, operates under the following **premises**:

- **Constant improvement**, with special emphasis on the relationship and communication with its customers.
- Continually improve our **environmental performance** and our Environmental Management System.
- **Detect and control** any non-compliant service or incident, in the most initial state possible.
- **Adopt corrective and preventive measures** for non-conformities and incidents, to avoid their recurrence.
- To achieve our **quality and environmental objectives and goals**, in accordance with our Management System.
- **Continuous training** of our staff, promoting **internal communication**.
- **The awareness, motivation and participation** of our personnel at all levels in the quality and environmental system, together with the necessary information and training so that the development of their activity is consistent with **the policy**.
- To **protect the environment** by preventing environmental pollution that could be generated by our activities, products and services.
- **Selection of suppliers**, given their importance in the final quality of the products and services offered.
- **Comply with applicable requirements**, both those defined by our customers and those derived from our own management system, including legal requirements.
